

## Anti-Bullying Policy

**Effective** March 1<sup>st</sup>, 2026

The Cowichan Valley Soccer Association has adhered to this Anti-Bullying Policy to help guide and protect the children that participate in our activities as players, referees, coaches or in any other capacity. Bullying can be defined as intentional hurtful and aggressive behaviour that makes others feel uncomfortable, scared or upset, and it is the responsibility of the club, our staff and volunteers to create a safe, free from bullying soccer environment.

*\*Resources below were provided by the Government of British Columbia*

### IMPORTANCE OF AN ANTI-BULLYING POLICY

According to the data provided by the Provincial Government, 1 in 3 Canadian teens say they've been bullied recently and almost half of Canadian parents say their kid has been bullied at some point.

A person who shows bullying behaviour usually picks on another person's culture, disability, ethnicity, gender identity, looks, religion, or sexual orientation - children who identify as lesbian, gay, bisexual, trans-identified, two-spirited, queer or questioning (LGBTQ) are discriminated against three times more than heterosexual students.

The effects of bullying can be traumatic and long-lasting, affecting even adulthood by causing extended psychological harm.

### DEFINING BULLYING

It's important to know the difference between bullying and single acts of aggression or conflict. Not all mean or rude behaviour or conflict is bullying. Understanding the difference helps when it comes to knowing how to intervene.

Bullying is a persistent pattern of unwelcome or aggressive behaviour that hurts others physically and/or emotionally. For a situation to be considered bullying, three indicators are usually present:

- **Power** – children who bully acquire their power through physical size and strength, by status within the peer group, and by recruiting support of the group.
- **Frequency** – bullying is not a random act. It is this factor that brings about the anticipatory terror in the mind of the child being bullied that can be so detrimental and have the most debilitating long-term effects.
- **Intent to harm** – children who bully generally do so with the intent to either physically or emotionally harm the other child.

A person who shows bullying behaviour says or does something intentionally hurtful to others and they keep doing it, with no sense of regret or remorse – even when it's obvious that they've hurt a person or when they're asked to stop.

### TYPES OF BULLYING

- **Physical** – hitting, kicking, tripping, pinching, pushing, damaging property.
- **Verbal** – name-calling, insulting others, teasing, intimidating others, making homophobic or racist comments, verbal abuse.
- **Social and emotional (or relational)** – Doing things to harm someone else’s reputation or make them feel embarrassed or humiliated by lying, spreading rumours, making mean gestures or jokes, excluding someone.
- **Cyber** – teasing or humiliating a person online using social media, cruel websites (e.g. posting photos of others on rating websites), video games, instant message or texting. Cyberbullying is constantly evolving and changing with new technology and it can reach a child even in the privacy of their own home.

### **SIGNS THAT A CHILD IS BEING BULLIED**

Kids who are being bullied by others will often display a change in behaviour or emotions, like:

- Not wanting to go to school or participate in extra-curricular activities.
- Anxious, fearful or over-reactive.
- Having low self-esteem and making negative comments about themselves or a former friend
- Regular complaints of stomachaches, headaches, and other physical symptoms without any particular cause.
- Less interest in school or soccer.
- Injuries, bruising, damaged clothing, or broken items.
- Unhappy and irritable.
- Trouble sleeping, nightmares, bedwetting.
- Frequently crying.
- Threatens to hurt themselves or others.
- Significant changes in social life (i.e. no one is calling or inviting them out).

### **SIGNS THAT A CHILD IS ENGAGING IN BULLYING BEHAVIOUR**

Kids who exhibit bullying behaviour may show signs that they are using power aggressively, such as:

- Little concern for the feelings of others.
- Aggressive with siblings, parents, teachers, friends and animals.
- Bossy and manipulative to get their own way.
- Coming home with unexplained objects or extra money.
- Secretive about possessions, activities or where they've been.
- Easily frustrated and quickly angered.
- Believe aggression is an acceptable way to resolve conflicts.
- Abuse others physically or verbally.
- Get into fights and blame others for starting them.
- Have a need to dominate others.
- Have two or three friends who are also aggressive.
- Hang out with increasingly younger children.
- Quick to interpret accidents or neutral events as deliberate hostile acts.

### **BULLYING REPORTING PROCEDURE**

The Cowichan Valley Soccer Association has created a Health and Wellness Committee that is made up of health care professionals volunteering time to support CVSA. They are here as an adjunct to what players should already be receiving medically (and professionally) in the community at the direction of their parents and/or caregivers.

To report any incidents of bullying reach out to the committee using [riskmanagement@cowichansoccer.com](mailto:riskmanagement@cowichansoccer.com). Our Risk Manager will determine who needs to be involved to resolve the identified issue including escalation to authorities if deemed necessary.

### **BULLYING CONFLICT RESOLUTION**

During the resolution process our risk manager along with the risk management committee will assess the situation and determine who needs to be involved. This may include players, parents, coaches, the Health and Wellness Committee.

Resulting Actions may range from:

- Documentation of events and allegations.
- Individual contact
- A meeting of all parties involved
- Disciplinary action
- Reconciliation & Resolution.

### **BC SOCCER ALIGNMENT**

**All Cowichan Valley Soccer Association policies must align with BC Soccer's Bylaws, Rules & Regulations, and applicable Policies and procedures.**
